June 21, 2012 Nationwide Dump the Pump Day – Forget the Gas Station – Ride DART - On June 21, 2012, American Public Transportation Association (APTA), in partnership with The Sierra Club, The Natural Resources Defense Council (NRDC), and public transportation systems across the country including DART First State, will celebrate the 7th Annual National Dump the Pump Day. In these tough economic times with high gas prices, everyone is looking for a way to save money. National Dump the Pump Day encourages people to ride public transportation (instead of driving) and save money. The latest APTA Transit Savings Report shows that a two person household that downsizes to one car can save on the average about \$10,000 a year.

June 16 & 17 Walnut Street Bridge Detour Notice - The Walnut Street Bridge will be closed for repairs all day Saturday, June 16 and Sunday, June 17. DART Bus Routes 17, 22 & 25 will be on detour. A passenger notice placed at the Shoprite instructs passengers that Route 17 going to Rodney Square will not serve this stop during the bridge closure and to board Routes 22 or 25 on Walnut Street across from Shoprite. Route 17 going to New Castle Avenue will continue to board at Shoprite.
